

Pinnacles Campout Overview

On April 12, 2014, Troop 110 led by Sushil, arrived at Pinnacles at 9:45am and hiked from the Bear Gulch Visitor Center to the campground. At 6:00pm the scouts had set up camp and began cooking dinner. The troop enjoyed spaghetti and bread rolls with Tang and water. After dinner, scouts played games and had a campfire where everyone toasted marshmallows and made s'mores.

The next day the troop woke up at 6:45am and began a breakfast filled with scrambled eggs, bacon, and hash browns. Once breakfast was over, the troop played football and frisbee. Some scouts and adults went on a hike to enjoy the day. Scouts were able to complete merit badge requirements and work on their requirements for advancing ranks. At 11:35am the troop headed home after a successful campout.
