Mission Peak Fly Anglers

Invite You

To Participate in the November 2007 Introduction to Fly Fishing

A two day class specifically designed to cover the BSA Fly Fishing Merit Badge Requirements

The class will cover all of the Fly Fishing Merit Badge requirements **except** catching the fish, cleaning and cooking one of the fish caught. Our club would encourage the scout and parent/guardian to participate in one of our club outings where the opportunity to catch, clean & cook a fish could be accomplished.

Saturday November 3rd 2007
